Version 1.6 - April, 2021

The *Service Terms, Conditions and Privacy Policy* for Enterprise Users (Terms) govern the use of the Engage range of web-based applications. By accessing and utilising the Engage range of web-based applications, the Enterprise User agrees to be bound by the Terms as set out in this legal notice.

In this Agreement unless otherwise required or indicated by the context:

- "Engage" shall mean the software-as-a-service versions of the Engage product range, including but not limited to Engage Survey, Engage Analytics and Engage Insights, and all related and derivative web-based tools and applications that can be accessed via the domain name mindsetmanage.com or any of its sub-domains;
- "Mindset Management" shall mean Mindset Management Programs (Pty) Ltd, a South African based private company with limited liability and registration number 2016/038861/07 and with its main offices located at Midlands Office Park West, Mount Quray road, Centurion, 1683;
- "Enterprise User" shall mean any organisation or legal entity whose employees or otherwise designated or co-opted persons interact with or use Engage, whether as part of the free trial period at no costs to the Enterprise User or as part of a subscription to use Engage at the prescribed subscription fee;
- "System Data" shall mean usage, transactional and device-related data that is collected automatically by Engage;
- "User" shall mean any person who accesses or uses Engage;
- "User Data" shall mean any data or content entered or captured by a User by means of Engage, including survey responses entered or captured by Users.

1. Engage web-based service

Mindset Management provides a service known as Engage, a web-based survey, analytics, expert recommendation and action planning system designed to help organisations measure, monitor and manage employee engagement and other organisational efficiency and effectiveness aspects at work.

This Agreement regulates the use of the web-based application, Engage, which is developed and owned by Mindset Management.

1.1 Enterprise User responsibilities

Enterprise User will not, directly or indirectly, reverse engineer, decompile, disassemble or otherwise attempt to discover the source code, object code or underlying structure, ideas, know-how or algorithms relevant to Engage or any software, documentation or data related to Engage; modify, translate, or create derivative works based on Engage (except to the extent expressly authorised in writing by Mindset Management); use Engage or any derivative product for timesharing or service bureau purposes or otherwise for the benefit of a third; or remove any proprietary notices or labels.

Enterprise User shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use Engage, including, without limitation, modems, hardware, servers, software, operating systems, networking, web servers and the like (collectively, "Equipment"). Enterprise User shall also be responsible for maintaining the security of the Equipment, user account, passwords (including but not limited to administrative and user passwords) and files, and for all uses of user account or the Equipment with or without Enterprise User's knowledge or consent.

1.2 Availability of the service

Mindset Management shall use reasonable efforts consistent with prevailing industry standards to maintain Engage in a manner which minimises errors and interruptions in the use of Engage. Engage may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Mindset Management or by third-party providers, or because of other causes beyond Mindset Management's reasonable control. Mindset Management may discontinue some or all of the services, including certain features and the support for certain devices and platforms, at any time. Mindset Management shall however use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption or discontinuation.

HOWEVER, MINDSET MANAGEMENT DOES NOT WARRANT THAT ENGAGE WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF ENGAGE. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, ENGAGE IS PROVIDED "AS IS" AND MINDSET MANAGEMENT

DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

If the Enterprise User is in an area where there is weak or limited connectivity and/or the Enterprise User attempts to access Engage whilst being offline, Engage may not function correctly. Mindset Management will not be liable for any damages suffered by a User arising from using the Engage application in an area of weak or limited connectivity or for offline access.

Standard data costs will be charged when an Enterprise User utilises Engage through the web-based application. These costs are charged by the Enterprise User's mobile network operator or internet service provider, and Mindset Management will in no way be held liable for any claim arising from these data costs including any claims of heightened data usage. Any questions related to an Enterprise User's data costs must be referred to their individual mobile network operator or internet service provider.

1.3 Software support

Mindset Management shall make commercially reasonable efforts to correct bugs or other errors in Engage. Enterprise User acknowledges that Mindset Management is not required to correct every bug, error, or problem with Engage that it reports to Mindset Management or of which Mindset Management is otherwise made aware.

Mindset Management will provide technical support to Enterprise User via electronic mail on weekdays. Enterprise User may initiate a support request by emailing support@mindsetmanage.com or by means of the Support and Assistance function (<https://www.mindsetmanage.com/analytics-overview>) that can be accessed via the Help function in Engage. Mindset Management will use commercially reasonable efforts to respond to all support requests within one (1) business day.

1.4 Hosting and transfer of data

Data relating to the Enterprise User, including User Data and System Data, may be hosted and processed in a country or jurisdiction other than the one where the Enterprise User is based in, and may be transferred to suit Mindset Management's operational requirements between countries around the world that may not have the same data protection and privacy laws as in the Enterprise User's jurisdiction. Mindset Management will not host or transfer such data to a country or jurisdiction that does not support data protection and privacy laws to the same standard as those set out in herein.

1.5 Links to other websites

Mindset Management's service may contain links to third-party websites or services that are not owned or controlled by Mindset Management, including any third-party credit card payment service. Mindset Management has no control over, and assumes no responsibility for, the content, privacy policies, or practices of any third-party websites or services.

The Enterprise User further acknowledges and agrees that Mindset Management shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with the use of or reliance on any such third party content, goods or services available on or through any such websites or services and Enterprise User accordingly indemnifies Mindset Management for any such damages and/or losses.

2. Fees and costs

2.1 Free trial

Mindset Management may, at its sole discretion, offer a part, version or derivative of Engage on a free trial basis for a limited period of time ("Free Trial"). Enterprise User will not be required to enter billing information in order to sign up for the Free Trial. At any time and without notice, Mindset Management reserves the right to (a) modify the terms and conditions of the Free Trial offer, or (b) cancel such Free Trial offer.

2.2 Subscriptions

Usage of the Engage is billed to the Enterprise User on a monthly or annual subscription basis ("Subscription"). The Enterprise User will be billed in advance on a recurring and periodic basis ("Billing Cycle"). All Subscription fees exclude sales tax, GST, VAT, or other similar taxes.

Unless otherwise agreed, payments for invoices are due 7 days after the invoice date. Overdue payments may incur interest at the rate of 1.5% per month (or the highest rate permitted by law, if less) on the amount overdue. You will be responsible for all reasonable expenses (including lawyers' fees) incurred by Mindset Management in collecting such overdue amounts.

Should automatic billing fail to occur for any reason, Mindset Management will issue an electronic invoice indicating that Enterprise User must proceed manually, within a certain deadline date, with the full payment corresponding to the billing period as indicated on the invoice.

2.3 Fee changes

Mindset Management, in its sole discretion and at any time, may modify the fees for the subscriptions. Any subscription fee change will become effective at the end of the then-current billing cycle. Mindset Management will provide the Enterprise User with reasonable prior notice of any change in subscription fees to afford the Enterprise User an opportunity to terminate their subscription before such fee change becomes effective. The Enterprise User continued use of the service after the subscription fee change comes into effect constitutes the Enterprise User's consensus to pay the modified subscription fee amount.

2.4 Refunds

Except when required by law, paid subscription fees are non-refundable.

2.5 Termination of the service

Mindset Management may modify, suspend, or terminate the User's access to or use of Engage anytime and for any reason, if the User violates any law, Term/s of this Agreement or creates harm, risk, or possible legal exposure for Mindset Management, its users, or any other third party.

The following provisions will survive any termination of your relationship with Mindset Management: "Confidentiality and non-solicitation", "Indemnity and limitation of liability" and "Copyright and intellectual property".

3. Privacy policy

The Privacy Policy is set out in the following sub-clauses.

Mindset Management is committed to protecting the Enterprise User's privacy. This privacy policy explains how Mindset Management shall collect and use customer information as well as what the Enterprise User's access rights to the information and/or data are.

In the event where Mindset Management may collect, use, disclose or process ("processing") data as set out in this clause 3, such "processing" shall be governed by and be subject to the provisions of the applicable and relevant privacy and protection of information laws, regulations and code that apply to such data in the country of legal domicile of Mindset Management. Mindset Management shall at all times strictly comply with such applicable laws, regulation or code.

In terms of Mindset Management's obligations under the relevant privacy and protection of information laws, regulations and code that apply in the country of legal domicile of Mindset Management, Mindset Management will have due regard to generally accepted information security practices and procedures which may apply to it generally or be required in terms of specific industry or professional rules and regulations. Unless otherwise set out in the relevant security practices and procedures, Mindset Management will retain Enterprise User Data and System Data for as long as the Enterprise User has a valid Subscription, and for a minimum of two (2) calendar years after a Subscription has expired or lapsed.

However, it is possible for Internet-based communications to be intercepted or servers to be hacked. Unless otherwise stipulated in the applicable and relevant privacy and protection of information laws, regulations and code that apply to such data in the country of legal domicile of Mindset Management, Mindset Management will not be responsible for any damages the Enterprise User or any third party may suffer as a result of the hosting or transmission of confidential or disclosed information that the User makes to Mindset Management through the Internet, or that the Enterprise User expressly or implicitly authorises Mindset Management to make, or for any errors or any changes made to any transmitted information by unauthorised third parties.

To ensure acquaintance with and awareness of the privacy measures and policies of Mindset Management, the Enterprise User is urged to take care to read and understand the underlying privacy clauses incorporated in these Terms.

Mindset Management will review the Enterprise User's representations made by email and, if within their sole and absolute discretion advisable, take corrective action and in any event within 7 (seven) days respond to Enterprise User informing about corrective actions taken, if any.
